By the Telecommunications Access Policy Division, Wireline Competition Bureau:

1. The Telecommunications Access Policy Division has under consideration a Request for Review filed by Meritide, Inc., on behalf of Winnebago Public Schools (Winnebago), Winnebago, Nebraska.<sup>1</sup> Winnebago seeks review of six decisions issued by the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (Administrator), rejecting Winnebago's appeals on the grounds that they were untimely filed.<sup>2</sup> For the reasons set forth below, we grant the Request for Review and remand the above-captioned applications to SLD for further consideration.

2. SLD issued six Funding Commitment Decision Letters on August 20, 2001, denying Winnebago's request for discounted services under the schools and libraries universal service support mechanism.<sup>3</sup> Specifically, SLD denied Winnebago's requests for discounts for internal

3. For requests seeking review of decisions issued on or after August 13, 2001 under section 54.720(b) of the Commission's rules, any such appeal must be filed with SLD or the Commission within 60 days of the issuance of the decision that the party seeks to have reviewed.<sup>7</sup> Documents are considered to be filed with the Commission only upon receipt.<sup>8</sup> SLD misapplied the rule in its Administrator's Decision on Appeal Letters. We find the applicant complied with the 60 day time period for filing its appeals with SLD. Therefore, we grant Winnebago's Request for Review and remand the above-captioned applications to SLD for further consideration.
